

## 8BRIX VERJUS RED NUTRITIONAL DATA SHEET

**MINUS8**  
VINEGAR & VERJUS

**8 Brix Verjus RED:** “ice” verjus, made with the juice of Minus 8 icewine grapes. Several varieties of premium wine grapes are hand-picked at five intervals beginning in August (sourest) and ending usually in January at icewine harvest (sweetest). We pick grapes that are naturally frozen on the vine and press them while they are still frozen. There is no alcohol or acetic acid in verjus.

The juices are blended by taste. Keep in mind that while the quality for our verjus is always high, they are small batch agricultural products subject to slight variations due to the changing character of the vintage each year.

This is fun to drink when served lightly chilled. Would serve as a great condiment and be a wonderful addition to your cooking repertoire. Chefs and mixologists will find endless uses for this inimitable product. We are told that it is a fantastic base for sauces, dressings and marinades and is the secret ingredient in many inspired bar creations.

**Ingredients:**

- Grape Must
- Optimal Storage 12°C
- 45% Humidity
- Keep Refrigerated After Opening
- Product of Canada
