

## MAPLE BRIX (SMALL BATCH VERJUS) NUTRITIONAL DATA SHEET

**MINUS8**  
VINEGAR & VERJUS

Sour and fruity pure premium Minus 8 grape musts are blended with the best Québec maple syrup. Several varieties of premium Minus 8 grapes are hand-picked while they are sour, and at several more intervals during the growing season when the taste of the natural grape juices develops in flavour and sweetness.

The best tasting (in our opinion) pure maple syrup from Québec was made for us, to use for Maple 8 Vinegar, and here for Maple Brix. The maple syrup is blended with the Minus 8 grape juice to make Maple Brix. It does not contain any vinegar (acetic acid). Refrigerate Maple Brix after opening. Keep in mind that while the quality for our verjus is always high, they are small batch agricultural products subject to slight variations due to the changing character of the vintage each year.

### Ingredients:

Grape Must, Maple Syrup  
Refrigerate After Opening  
Optimal Storage 12°C/55°F  
45% Humidity  
Product of Canada
