

ORIGINAL BARREL MINUS8 VINEGAR NUTRITIONAL DATA SHEET

MINUS8
VINEGAR & VERJUS

A rare treasure that is drawn from the first ever barrel of Minus 8 made in 1997. It is said that nothing great comes without sacrifice. Every year that this nectar slumbers in its barrel, a portion evaporates. The amount that is lost through this process is called the “angels’ share.” Fortunately, there is a tradeoff; for what is lost in terms of quantity is gained in ever increasing concentration and complexity. The small amount that is left for bottling is truly a heavenly treasure.

This incredible vinegar seems even more complex than a great wine, each time you approach it you pick up something else! We are only able to release this precious elixir in small limited batches. This is something that must be savoured by the drop – that’s why we give you a dropper.
